

## A. Emergencies

If your water pipes burst:

1. Turn off main water supply.
2. Call Superintendent/Co-ordinator.

If your hydro goes off:

1. Check to make sure there is not a general shutdown in the area.
2. Check the fuse box.
3. Call Mississauga Hydro.

If your toilet bowl cracks:

1. Turn off the water at the toilet.
2. Take the same action as if your water pipes had burst.

If your stove or refrigerator shuts down:

1. Check the fuses in the appliance.
2. Check the main fuse box.
3. Check the plug.
4. Call the Co-ordinator or Superintendent.
