

Laundry Room Policy

1. Laundry room facilities are for the use of all members of Ashworth Square.
2. Hours of use are from 7:30 a.m. to 11:00 p.m. We ask that you refrain from using the washer and dryer after this time, as the noise can be very bothersome to those living near the laundry room.
3. Please do not leave the machines unattended for periods longer than the cycle time. This ties up their use for other members. Please show consideration.
4. Please do not leave your floor to do your laundry on another floor.
5. If the machines have completed their cycles and the member using them is not there, please give them a 15-minute grace period. We ask that you then remove their clothes from the washer or dryer and place them neatly on top of the machine.
6. Please clean out the lint trap after using the dryer. This will make it work more efficiently.
7. After use, it would be appreciated if each member wiped down the washer and dryer. This will help keep the machines clean and nice to use, and will also reduce the lint, soap, etc. that sometimes gets tracked through your hallway.

**Please leave the laundry room in the same condition
you would like to find it.**

August 28, 2003: Amended by the Board of Directors in response to a survey in which high rise members voted to extend the morning hours.
